LEAP W SERIES | LEAP W509

CLASSMATE PC

LEAP W509 is EPEAT® Gold registered.

A lifelong classmate.

Classmate PC LEAP W509 is a 14-inch laptop designed mainly for teachers and students in secondary and higher education. The Intel Wildcat Lake platform, supported by up to 64 GB LPDDR5 and up to 2 TB SSD storage, enables responsive multitasking across learning, teaching and everyday productivity.

Resistance to drops, spills and dust helps the device withstand the demands of everyday use and remain reliable for longer because everyone deserves a lifelong classmate.

ikES This product is available with ikES, a ready-to-use software package featuring educational apps that support teachers and students from the first power-on.
