

ULTRA SERIES

The Ultra Series

Do not be fooled by its size. This small-footprint desktop combines efficiency, performance, and security in an ultra-compact form. With a volume of **only 1.3L**, the desktops in this series fit seamlessly into modern workspaces while meeting the demands of business-critical environments.

Take productivity to the next level with **Intel® Core™ processing, DDR4 and DDR5 memory up to 64GB, and fast PCIe SSD storage options**, delivering speed, flexibility, and reliability. The desktops from the **Ultra Series** stand for consistent performance and operational efficiency. With **extensive connectivity, a robust design, and specialized security features**, this series provides **long-term value** for those seeking secure and sustainable technology solutions.

This series is built for durability and extended use. Investing in the Ultra Series means prioritizing **longevity, reducing electronic waste, and minimizing environmental impact**, while maintaining high productivity in everyday business operations.

COMPACT DESIGN. GREAT CAPABILITIES.

SUSTAINABLE FEATURES

We prioritize the use of **recycled or recyclable materials** and the **reduction of hazardous substances** throughout our manufacturing process. Our devices contain up to **80% recycled plastic⁽¹⁾**.

Our packaging is **FSC certified**, and we provide multipack options for even less waste.

Furthermore, the devices also have devices are **EnergyStart Ready**, meaning they are submitted to rigorous third-party testing, ensuring the desktop consume less energy compared to similar non-certified models and resulting in cost savings and **reduced environmental impact**.

Front 3 USB Ports Type-A & Type-C / AUDIO Combo
Connect multiple peripherals

CONFIGURATION OPTIONS

OS • Windows 11® Pro*

CPU • Intel Raptor Lake | Meteor Lake | Arrow lake (SoC & Socket)

Memory • Up to 64GB DDR4 / DDR5

Storage • Up to 2TB PCIe SSD | internal SSD SATA 2.5" (Optional)

I/O • 1x DC-in(3.5Ø) | 1x HDMI, 1x VGA (HDMI/DP optional) | 1x Combo Audio Front jack | 4x USB 3.2 Type-A | 2x USB 2.0 Type-A | 1x USB 3.2 Type-C | Spk/Mic Audio Rear jacks

Connectivity • Gigabit Ethernet | Wi-Fi 5 & 6 (up to 802.11ax) | Bluetooth up to 5.2

Audio • Integrated HD-Audio Controller | internal Speaker (optional)

Form-Factor • USFF Format 1,3L / 187(W)*184(D)*37(H)mm

Power Supply • External AC-DC Adapter up to 120W

Additional • Desktop Stand (optional) | support VESA 100x100mm & Kensington Lock | Chassis intrusion (optional) | Energy Star Ready

*Available with multiple operating system options, depending on the region

jp.ik's contribution for sustainability

Our devices come with certified FSC Packaging. This means that it uses the least amount of materials possible, and that they all come from certified producers, with forest management standards that protect water quality, old grown forests cover and prevent hazardous chemicals.

⁽¹⁾ Depending on the device.
