

BOLT X504

BOLT X504 is a 15.6" premium laptop designed for maximum productivity. Whether you're a professional, student, or creative, it offers the perfect **blend of performance, durability, and serviceability**.

It features a wider screen, enabling a spacious display with narrow borders and providing an immersive viewing experience for work, entertainment, and collaboration. The **high-performance CPU** will make sure to keep up with all the demanding tasks of today's intensive workloads.

With sustainability in mind, **BOLT X504** is built with premium materials. Its metal body not only enhances the overall user experience but also provides better protection against wear and tear. Its highly serviceable design allows the keyboard to detach from the C cover, enabling straightforward repairs and minimizing downtimes.

Investing in longevity not only saves money but also **reduces electronic waste and environmental impact**, contributing to a more sustainable future.

Designed to be
repairable

Extended Lifespan
Reduces electronic
waste

SUSTAINABLE FEATURES

Our commercial devices are designed with a **strong commitment to sustainability**. They incorporate more recycled and renewable plastics by weight compared to our previous models.

Our packaging is **FSC certified**, and we provide multipack options for even less waste.

Furthermore, the devices also have **Energy Star certification**, meaning they are submitted to rigorous third-party testing, ensuring the laptops consume less energy compared to similar non-certified models and resulting in cost savings and **reduced environmental impact**.

Screen to Body Ratio
over 70%

Sound Blaster™ Cinema 6+
Crystal-clear sound quality
