

LEAP T209

LEAP T209 is developed with sustainability in mind. Built to last, this 11.6" device combines a slim and lightweight profile with classroom-ready ruggedness, making it resistant to drops and spills.

Its highly serviceable components, including a keyboard with snap-safe keys, can extend usable life up to twice as long as non-serviceable models, reducing replacements, e-waste, and total cost of ownership.

Investing in longevity not only saves money but also reduces electronic waste and environmental impact, contributing to a more sustainable future.

Sustainable Design that Powers Productivity

Sleek Design
Optimises space utilisation

Snap-safe Keys
Prolonged keyboard life

Highly Serviceable
Designed to be repairable

Water and Drop resistance
500cc | 100cm

Extended Lifespan
Reduces electronic waste

SUSTAINABLE FEATURES

We prioritize the use of **recycled or recyclable materials** and the **reduction of hazardous substances** throughout our manufacturing process. Our devices contain up to **80% recycled plastic**⁽¹⁾.

Our packaging is **FSC certified**, and we provide multipack options for even less waste.

Furthermore, the devices also have **Energy Star certification**, meaning they are submitted to rigorous third-party testing, ensuring the laptops consume less energy compared to similar non-certified models and resulting in cost savings and **reduced environmental impact**.

Up to 99% confidence level in drop and water resistance tests⁽²⁾

180° Opening Preventing accidental breaks

Multiple ports Connect multiple peripherals

⁽¹⁾ Depending on the device.

⁽²⁾ Devices with high confidence levels in drop tests and water resistance are designed to withstand real-world challenges, making them reliable in various environments.

SUGGESTED CONFIGURATION

OS • Windows® 11 Pro (64-bit)

CPU • Intel® Processor N150/N250 | Intel® Core™ 3 N350

Memory • Up to 32GB DDR4

Storage • Up to 2TB SSD (SATA and PCIe Supported)

Display • 11.6" TN | IPS 1366×768 | 11.6" FHD 1920×1080 (Optional)

I/O • 2x USB Type-C | 1x USB Type-A | 1x HDMI | 1x Micro SD Card Reader | 1x Combo Audio Jack | 1x SIM Card Slot (Optional)

Speaker & Mic • Built-in 2× 1.0 W Speakers | DMIC

Security • Kensington Lock

Connectivity • TPM | Wi-Fi 5 (802.11ac) | Wi-Fi 6 (802.11ax, 1×1 / 2×2) | Bluetooth 5.2 | 4G LTE (Optional)

Camera • 1/2MP (Optional) | Flash LED

Battery • 30.4 W | 38Wh (Optional)

Ruggedness • 100cm Drop Resistant (MIL-STD-810H) | 500cc Water Resistant on KB+TP | IP5x Dust Resistance

Weight • 1.1kg

Dimensions • 288 × 196 × 20.6 mm

Available with multiple operating system options, depending on the region.

LEAP T209 comes with ikES, a ready-to-use software package with several education apps, providing all the tools necessary to support teachers in the classroom and engage students in learning activities.

jp.ik is an EPEAT Participating Brand.

jp.ik's contribution for sustainability

Our devices come with certified FSC Packaging. This means that it uses the least amount of materials possible, and that they all come from certified producers, with forest management standards that protect water quality, old grown forests cover and prevent hazardous chemicals.
