

SLIM GREEN

Slim Green is a sleek desktop that combines efficiency, performance and sustainability. With only 8.2 litres of volume, it fits seamlessly into modern workspaces while delivering powerful computing for demanding business environments.

Take productivity to the next level with Intel® Core™ Ultra processing, DDR5 memory up to 64GB, and multiple SSD storage options, ensuring speed, flexibility and reliability. With extensive connectivity and a serviceable design, the Slim Green provides long-term value for organisations seeking sustainable technology solutions.

This desktop is built for durability and extended use. Investing in longevity not only saves money but also reduces electronic waste and environmental impact, contributing to a more sustainable future.

Sustainable design that **POWERS PRODUCTIVITY**

Always On 24/7 resilience

Efficiency & PowerUnbeatable Performance

Extended LifespanReduces electronic waste

SUSTAINABLE FFATURES

We prioritize the use of **recycled or recyclable materials** and the **reduction of hazardous substances** throughout our manufacturing process. Our devices contain up to **80% recycled plastic**⁽¹⁾.

Our packaging is **FSC certified**, and we provide multipack options for even less waste.

Furthermore, the devices also have **Energy Star certification**, meaning they are submitted to rigorous third-party testing, ensuring the laptops consume less energy compared to similar non-certified models and resulting in cost savings and **reduced environmental impact**.

4 USB Ports Type-A & Type-C Connect multiple peripherals

SUGGESTED CONFIGURATION

OS • Windows® 11 Pro

Chassis • SFF Slim Chassis mATX (Height 92 x Width 324 x Depth 275 mm – 8.2 litres) **Power Supply** • TFX 450W 80+ Gold (Active PFC)

Motherboard • Intel H810, Socket 1851, fTPM Intel PPT2.0 | 1x PCle 5.0 x16, 2x PCle 4.0 x1 | 4x SATA III 6Gb/s

Interfaces • Front panel: 2x USB 3.2 Gen1 Type-A/C, 2x USB 2.0 Type-A, combo audio jack | Rear panel: 1x HDMI, 1x VGA, 1x DP, 1x DVI, 2x USB 3.2 Gen2 Type-A/C, 2x USB 3.2 Gen1 Type-A, 2x USB 2.0 Type-A, 3x audio jacks, 1x RS232 (serial), 1x PS2 (keyboard/mouse)

Processor • Intel® Core™ Ultra 5 225 | Intel® Core™ Ultra 5 235 | Intel® Core™ Ultra 5245 | Intel® Core™ Ultra 7 265

Memory • 2x DIMM DDR5 slots (up to 64GB)

Graphics • Integrated Intel® UHD Graphics

Multimedia • Realtek Audio 8 Channel HD

Storage • 2x SSD M.2 PCle Gen4 x4/x2 (up to 1TB) | 1x SSD SATA 2.5" (up to 2TB)

Connectivity • Intel i219V Gigabit RJ45 | (optional) Intel Wi-Fi 6E & BT 5.2

Optical Drive • Internal Ultra Slim DVDRW 8x SATA

Warranty • 3 years "Pickup & Return"

Available with multiple operating system options, depending on the region.

jp.ik is an EPEAT Participating Brand.

jp.ik's contribution for sustainability

Our devices come with certified FSC Packaging. This means that it uses the least amount of materials possible, and that they all come from certified producers, with forest management standards that protect water quality, old grown forests cover and prevent hazardous chemicals.
