

# LEAP X SERIES

## Empower your journey with SUSTAINABLE TECHNOLOGY

**LEAP X SERIES** is developed with sustainability in mind. Built to last, this laptop has rugged features that make it resistant to drops and spills, while still maintaining a lightweight and slim design. Combined with highly serviceable components like the **keyboard with snap-safe keys**, its lifespan is doubled compared to other commercial devices. Investing in longevity not only saves money but also **reduces electronic waste** and environmental impact, contributing to a more sustainable future.
