LEAP T SERIES | LEAP T209

CLASSMATE PC

LEAP T209 is EPEAT® Gold registered.

A lifelong classmate.

Classmate PC LEAP T209 is a compact 11.6-inch laptop designed primarily for primary and lower-secondary education. Its drop, spill and dust-resistant design helps it withstand the demands of everyday school life, while its Intel Processor N150, N250 and Intel Core 3 N350 options support digital learning activities and everyday schoolwork. Easy to use, carry and maintain, it helps keep learning on track while delivering better long-term value for schools.

ikES This product is available with ikES, a ready-to-use software package featuring educational apps that support teachers and students from the first power-on.
