LEAP W SERIES | LEAP W601

CLASSMATE PC

jp.ik is an EPEAT® participating brand.

A lifelong classmate.

Classmate PC LEAP W601 is a 14-inch AI PC designed mainly for teachers and students in secondary and higher education.

The Intel Meteor Lake-U platform, supported by up to 64 GB DDR5 and up to 2 TB SSD storage, supports multitasking across learning, teaching and everyday productivity.

Resistance to drops, spills and dust helps the device withstand the demands of everyday use and remain reliable for longer because everyone deserves a lifelong classmate.

ikES This product is available with ikES, a ready-to-use software package featuring educational apps that support teachers and students from the first power-on.
