TURNCONNECT T101

Get the battery life you deserve, with the performance you need!

ALWAYS ON, ALWAYS CONNECTED

Being connected to the world is key within the modern education landscape. Based on the Snapdragon™ 7c compute platform, enables learners to connect to the Internet via cellular network without requiring a wi-fi connection.

MULTI-DAY BATTERY LIFE

No need to worry about running out of battery. With a battery life that lasts for days, students can focus on the important tasks they have on hands.

ARTIFICIAL INTELLIGENCE (AI)

TURN CONNECT T101 enables AI to offer new experiences with Vision AI, Voice UI and ASR/NLP, as well as real time speech/ language translation for assisted learning and augmented reality learning experiences.

STYLISH AND RUGGED

Was built with rugged features to offer more protection, avoiding frequent repairs and long downtime due to device failure while extending the products life.

FANLESS DESIGN

TURN CONNECT T101 does not require heavy thermal solutions like fans, providing a much quieter learning environment.

DROP AND WATER RESISTANT

Resistant to drops up to 100cm (MIL-STD-810G) and resistant to liquid pills up to 330cc (keyboard and touchpad).

4K HDMI SUPPORTED

Keep a clear image with up to 4K HDR resolution on external screens through HDMI. The stunning graphics and viewing quality keep students engaged in the learning experience.

WIN 32 APPLICATIONS

All Microsoft Store applications run optimally on TURN CONNECT.

Always Connected

TURN CONNECT T101, features the Snapdragon™ 7c compute platform to deliver a thinner, lighter, and quieter PC with up to 20% faster system performance than competitive platforms.

PRODUCT SPECIFICATIONS
